## Young American Award

The Young American award is given to young adults between the ages of 15 and 25 who have achieved excellence in the fields of art, athletics, business, community service, education, government, humanities, literature, music, religion, or science and have been involved in service to their community, state, or country that adds to the quality of life.

### Qualifications:

- Have reached the age of 15, but will not be 26 years of age by June 1.
- Have achieved exceptional excellence in one or more of the fields of art, athletics, business, community service, education, government, humanities, literature, music, religion, or science.
- Have been involved in service in their community, state, or country that adds to the quality of life.
- Has maintained an above-average scholastic grade point average. (Provide a copy of current school transcript with application.)
- Must provide with the application at least three letters of recommendation from your troop, crew, school, employer, civic, or community leaders.
